

# Info Nomz

Sejin Paik, Founder

Beta launch expected date - August 2022

## InfoNomz is like...

**A fitness tracker combined with  
Apple's Screen Time to measure  
news consumption.**

**To top it off, it will be sprinkled with  
affordances from dating-app swipe  
functions.**

\*The main ingredients of this app are a user's news media diet
